## *Coach Application*

Thank you for your interest in coaching with Wave SC!

Our goal is for Wave SC to be the best club it can be. We want every player to have a positive soccer experience no matter what level they play – for every player to be challenged and to foster a love for the sport of soccer. We have One Goal and we are One Wave.

Wave SC is a member of the Twin Cities Soccer League and have a select number of teams in the National Premier League. We operate out of Eagan, MN and have athletes from the surrounding south metro communities.

Our amazing network of coaches, volunteers, players and families are what make the Wave community vibrant and successful. Our programs, training and support develops confident players in the Wave Academy and Competitive levels of play.

All teams at Wave SC have a paid coach and receive professional training year around. We continue to build a great team of coaches who are role models, teachers and leaders for the youth in our program.

If you are interested in being a part of the Wave SC coaching staff, please complete the questionnaire below. If you have a prepared resume, we would appreciate that included as well. Please email the information to [waveboard@wavesoccer.org](mailto:waveboard@wavesoccer.org) and we will be in touch.
